PARK STRIP ORDINANCE

Can I park my vehicle between the curb and the sidewalk?

It shall be unlawful for any person to leave, or cause to be left or parked, any vehicle upon, over or across any sidewalk, or that part parking strip area between the sidewalk and curb. "Sidewalk," for the purposes of this ordinance, means that portion of the street between curb lines, or the lateral lines of a roadway, and the adjacent property lines, intended for the use of pedestrians. (*Brigham City Code 15.02.170*)

What if there is no sidewalk can I still park next to the curb?

Should there be no paved sidewalk in place; the parking strip shall be defined to be that area lying between the curb, the lateral line of the street, and ten (10) feet towards the adjacent property, along the length of the street abutting the property.

What can I place in the park strip area?

Trees and Shrubs may be placed but must be approved by Brigham City Parks Department 734-6615.

What do I do if there is a tree in the park strip area is dying or dead?

It shall be unlawful to plant, move, remove, spray, trim or prune out, above or below ground, disturb or alter any tree or shrub on the City parking strips, parks or any public

property, or to cause such acts to be done by others, without first obtaining a written permit from the City Forester, who shall cause such permits to be issued if, in his/her judgment, the work is necessary, and if such work falls within the authority granted within this section.

Trees located within Public Property.

The City shall assume responsibility for relieving the following conditions caused by trees or shrubs on City tree planting strips.

- a. Removal of dead trees or limbs, or trees or limbs, as determined by the City Forester, appear to be a hazard or liable to fall.
- b. Removal of trees or limbs from trees or shrubs that have actually fallen across street, sidewalks or upon City property.
- c. Removal of diseased or dying trees that are beyond reclamation.
- d. Removal of trees or roots directly in the way of street widening projects, new curb and gutters, or sidewalk and curb repairs.
